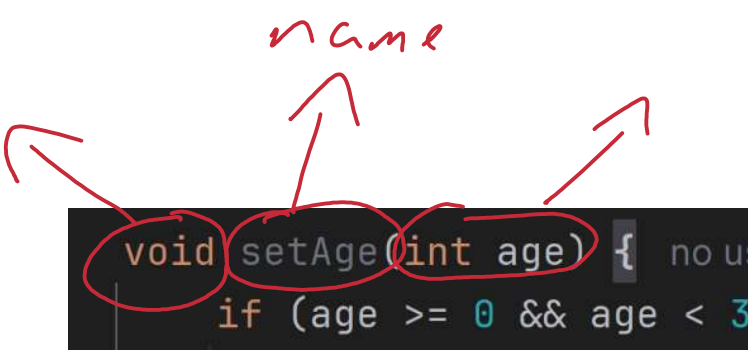
Encapsulation

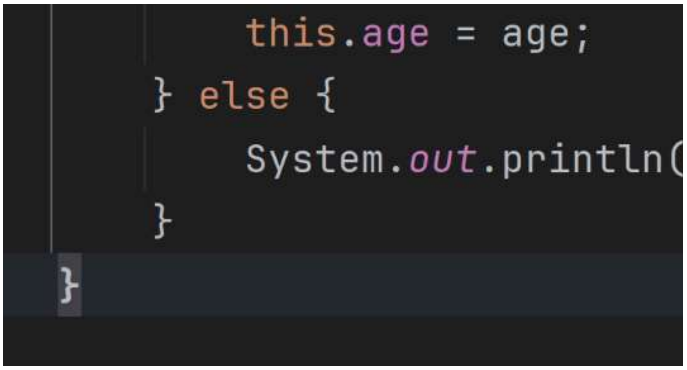
Tuesday, January 28, 2025 11:10 AM

Access modif

Restrict where a accessed from

public -> accessible a
protected -> same pack
default -> same
private -> same





```
        this.age = age;
    } else {
        System.out.println(
    }
}
```

Encapsulation →

cat1.age = 12

↓

cat1.setAge(1
